

MOOR

What does the treatment consist of?

- The Moor herbal formula is applied to the body and then covered. It is left on for about 40 minutes while soft music is played and you are kept warm for total relaxation.
- During this time the ingredients penetrate all layers of the skin and enter the bloodstream, where they work their magic.
- Circulation is stimulated, toxins are expelled and the fatty deposits broken down.
- Detoxifying activates circulation, helps eliminate fluid retention and rids cellulite, making the Moor Body Wrap the ultimate pick me up.
